SECTION 2
(Qualifying)

PROTOCOL FOR ATHLETES TO QUALIFY FOR THE STATE SWIMMING AND DIVING CHAMPIONSHIPS

Swimmers will have the opportunity to qualify for the NYSPHSAA/NYS Federation Championship Meet if they meet the event qualifying standard during the regular season.

Swimmers who have qualified for the NYSPHSAA/NYS Federation Championship Meet are required to participate in their respective Sectional Championship Meet. Swimmers are not required to swim the event (s) in which they have met the qualifying standard. If circumstances out of the swimmer's control, such as injury or illness, prohibited participation in the Sectional Championship Meet, the school may appeal to the Section.

The Section champion in each event will represent the Section in the NYSPHSAA/NYS Federation Championship Meet. If the champion chooses not to attend the State Meet, the Section may replace the swimmer with the 2ⁿ place finisher only if no other swimmer met the qualifying standard for that event. If a Section has more than one (1) class meet, the fastest individual from the final day of competition from all the classes would be the eligible athlete to move on as well as any other swimmer who met the qualifying standard.

FAT Timing (Fully Automatic Timing) or three (3) hand held watches must be used for the time to meet the qualifying standard. Divers must be scored by NFHS certified

C. There shall be no swimming under the diving board(s) while divers are warming up.

E. Warm-up procedures shall be enforced during any breaks scheduled during the competition.

F. Hazards on deck, in the locker rooms, or in areas used by coaches, swimmers, spectators, or officials shall be removed or clearly marked.

G. A minimum of 30 minutes of warm-up must be provided to the visiting team in the event of a late arrival.

H. Feet first entries in water depth less than 9 ft.

6. **Extra Heats** are permitted if both schools agree by **prior mutual consent (24 hours ahead of start of meet)**, unless involving a **“shadowing” school or athlete (aka team of less than 7 athletes)**. All extra heats must precede the scoring heat according to NFHS Rules.

7. Rules Interpretation Meeting: A Rules Interpretation Meeting will be held prior to each season.

8. Mergers A. Follow all section 9 rules, regulations and application process.

B. Follow all OCIAA & MHL rules, regulations and application process.

Shadowing – A team of less than 7 members will be a “shadowing” team (determined on day one of the start of the competitive season). The shadowing team will follow an identified parent team’s dual meet schedule. It is the shadowing team’s responsibility, or its named representative, to make contact with the other two participating schools one day in advance to inform them of the additional heats that will be required due to permitting all athletes to participate in the number of required events by NFHS rules.

9. All athletes from shadowing schools should be given the opportunity to swim in the faster heats if their time warrants that type of placement.

10. Lane assignments are decided upon NFHS Rules and a “shadowing team” will use the lanes assigned to the parent team they are shadowing regardless of what heat they are swimming in.

11. If any shadowing swimmer's time is equal or better, parent or shadowed school's coach makes determination "shadowing" swimmers heat.

12. If the shadowing swimmer's time is said to be faster than the parent schools third swimmer, then the shadowing schools athlete will swim in the faster heat and the parent schools third swimmer will then be placed into the extra preceding heat. To avoid swimming in a heat alone the opposing school will move its third swimmer into the same preceding heat. You will score only the deeded or named ‘third’ swimmers designated by the coaches prior to the event. Any additional lanes maybe filled with extra swimmers as exhibition.
